Warning regarding the company bank24.am

Dear citizens,

As a result of the information obtained and examined by the Central Bank of Armenia, it has been found that the company operating under the name “bank24.am” is publicly offering loans through its websites and through advertisements posted on various social networks (TikTok, Facebook, Instagram).

We hereby inform you that **the Central Bank of Armenia has not granted the mentioned company any license to conduct financial activities. Therefore, this company operates outside the scope of supervision of the Central Bank of Armenia.**

In order to avoid possible fraud and financial losses, we urge citizens to remain vigilant and to use only those financial service providers licensed by the Central Bank of Armenia.

The list of licensed banks and credit organizations is available on the official website of the Central Bank of Armenia (www.cba.am) at the following links:
